#### DOING THEIR DUTY.

Scores of Clarksburg Readers Are Learning the Duty of the Kidneys.

To filter the blood is the kidney's duty.

When they fail to do this the kidneys are sick.

Backache and many kidney ills follow.

Urinary trouble, diabetes.

Doan's Kidney Pills cure them all.

Clarksburg people endorse our claim.

Jacob Bloch, merchant tailor, Third street, says: "Owing to kidney and bladder trouble, I suffered far more than can be expressed in a short sentence, and this condition has existed for over five years. Latterly the continual pain across my back, not sharp, but of a dull, disagreeable nature, made it unpleasant and almost impossible for me to attend to my work, and I often wished I could find some medicine which would bring relief. I always thought there was something that could be depended upon to stop kidney complaint, and this led me to try Doan's Kidney Pills. They certainly helped. The backache ceased and the bladder trouble was relieved. I will have no hesitation in advising any one I hear complaining of backache or kidney complaint in any form to go to Wells & Haymaker's drug store for Doan's Kidney Pills."

#### THE SHAMROCK.

At One Time It Was Used For Food In Ireland.

That the shamrock was used as diet before it was adopted as the national emblem has been conclusively demonstrated, though in proving the fact one writer borrows from another. Very few drew their information from personal observation. Spenser undoubtedly did, and he is perhaps responsible for the familiarization of this fact to his contemporaries. I quote the passage from "The View of the Present State of Ireland":

"Out of every corner of the woods and glens they came creeping forth upon their hands, for their legs could not bear them. They looked like anatomies of death; they spake like ghosts crying out of their graves; they did eat of the dead caribos, and if they found a plot of watercresses or shamrocks there they flocked as to a feast for the time."

This dietary use was known to the Elizabethan dramatists.

I will give the leaves to cram my mouth with shamrocks and butter, and watercresses instead of peash and peas.—Ben Jonson's "Irish Masque."

This Irish footman, a wild kerne, a frog, a dog, whom I'll scare spwin. Longed you for shamrock?—Thomas Dekker.

"The shamrock thus used for food," says Mr. Colgan, "was one or other, or perhaps both, of the meadow clovers, or trifolium pratense (purple clover) and trifolium repens (white clover) of modern botanists."—Notes and Queries.

#### THE OLD FARM.

Thoughts It Brought to One Who Knew It as a Boy.

One morning I was awakened with a strange new joy in my mind. It came to me at that moment with indescribable poignancy, the thought of walking barefoot in cool fresh plow furrows, as I had once done when a boy. So vividly the memory came to me that I could almost feel the coolness of the high sun and the heat of that moment, and the boy I was, walking free in the furrows—that the weak tears filled my eyes, the first I had shed in many years. Then I thought of sitting in quiet thickets in old fence corners, the wood behind me rising still, cool, mysterious, and the fields in front stretching away in limitless pleasantness. I thought of the good smell of cows at milking. You do not know if you do not know. I thought of the sights and sounds, the heat and sweat of the hayfields. I thought of a certain brook I knew when a boy that flowed among alders and wild parsnips, where I waded with a three foot rod for trout. I thought of all these things as a man thinks of his first love. Oh, I craved the soil! I hungered and thirsted for the earth. I was greedy for growing things.—American Magazine.

Nearly all other cough cures are constipating, especially those containing Opium. Kennedy's Laxative Honey and Tar moves the bowels, contains no Opium.

### Laxative

A certain, safe and harmless remedy for all Coughs, Colds, Croup, Whooping Cough, La Grippe, Bronchitis, Influenza and all Lung and Bronchial affections. Mothers praise the children's favorite, Kennedy's Laxative Honey and Tar.
